

SUBJECT:

Farm, Residential, & Public Building Service

AVAILABILITY:

Available to rural residential consumers, schools, churches and community halls for all uses subject to the established rules and regulations of the Cooperative covering this type of service. Cooperative approval must be obtained prior to the installation of any motor having a rated capacity of ten (10) horsepower or more. This schedule applies to a single service to the premises of a member through one meter. Where employee's living quarters are provided at the farmstead or ranch headquarters, these may be served through the main farm or ranch meter. For residential service, other than farm or ranch employees, when conditions are such that more than one member, family or apartment are supplied through one meter, the net bills will be computed under the General Service rate.

TYPE OF SERVICE:

Single-phase, 60 cycle, at available secondary voltages.

CONDITIONS OF SERVICE:

- Motors having a rated capacity in excess of ten horsepower (10 HP) must be three phase, unless otherwise approved by the Cooperative.
- All wiring, pole lines, and other electrical equipment beyond the service point will be considered the distribution system of the consumer and shall be furnished and maintained by the consumer.

MONTHLY RATE:

- Facility Charge \$41.50
- Energy Charge \$.109

MINIMUM CHARGE:

The minimum monthly charge shall be equal to the transformer KVA when the total KVA required exceeds the rate schedule monthly minimum bill. Where the minimum charge is increased in accordance with the terms of this section, additional energy shall be included in accordance with the foregoing rate schedule.

AID TO CONSTRUCTION:

An Aid to Construction charge will be assessed according to the Line Extension Policy.

TERMS OF PAYMENT:

The above rates are net, the gross rates being 5% higher. In the event the current monthly bill is not paid within fifteen (15) days from the date of the bill, the gross rates shall apply. If the bill is unpaid in 25 days, service is subject to disconnection and a reconnect fee of six times the current base charge.

RATE ADJUSTMENTS:

Rate adjustments upward or downward, reflecting power costs, tax changes, changing economic conditions, and other costs will be made by the Board of Directors to keep the Cooperative in a sound financial condition.
