

Rate Schedule GS3

SUBJECT:

Three phase General Service

AVAILABILITY:

Available to all consumers requiring three phase service for all uses including lighting, heating and power, subject to the established rules and regulations of the Cooperative covering this type of service.

Consumers having their homes on the same premises with their business establishments may include service for both on the same meter, in which case all service will be billed under this schedule using the rate set out below. If the consumer prefers he/she may make provisions for two meters, in which case the usage for each would be billed under the appropriate rate schedule.

TYPE OF SERVICE:

Three phase, 60 cycle, at available secondary voltages.

CONDITIONS OF SERVICE:

- Motors having a rated capacity in excess of ten horsepower (10 HP) must be three phase, unless otherwise approved by the Cooperative.
- All wiring, pole lines, and other electrical equipment beyond the service point will be considered the distribution system of the consumer and shall be furnished and maintained by the consumer.
- Temporary service shall be supplied in accordance with the foregoing rate except that the consumer shall
 pay, in addition to the foregoing charges, the total cost of constructing and retiring service plus 10% of
 the material required to construct the service. The Cooperative may require a deposit, in advance, of the
 full amount of the estimated bill for service, including the cost of connection and disconnection.

MONTHLY RATE:

•	Facility Charge	\$64.00
•	Energy Charge	\$.086

AID TO CONSTRUCTION:

An Aid to Construction charge will be assessed according to the Line Extension Policy.

TERMS OF PAYMENT:

The above rates are net, the gross rates being 5% higher. In the event the current monthly bill is not paid within fifteen (15) days from the date of the bill, the gross rates shall apply. If the bill is unpaid in 25 days, service is subject to disconnection and a reconnect fee of six times the current base charge.

RATE ADJUSTMENTS:

Rate adjustments upward or downward, reflecting power costs, tax changes, changing economic conditions, and other costs will be made by the Board of Directors to keep the Cooperative in a sound financial condition.
