Policy 111
Additional Service Connections

POLICY:

Additional service connections may be obtained by complying with the following:

- a. A verbal or written request for service must be received at the office of the Cooperative.
- b. If applicable, an Application for Service, a copy of which is attached to and made a part of this policy, must be executed, in which the consumer agrees to a monthly or annual minimum over the contract period. A contribution in aid of construction (CIAC), if necessary, will be due before construction begins. Upon approval of the contract, CIAC paid, and an electrical permit is presented to the MYEC office, service will then be provided.

RESPONSIBILITY:

Board of Trustees and Manager

PROCEDURE:

As outlined in the above written policy.
