**Policy 401
Meter Testing**

POLICY:

The Cooperative will, on a periodic basis, make tests and inspections as required on its meters to insure a high standard of accuracy.

Tests at the request of the consumer-members will be made and, if the meter is found to register within 2% plus or minus, the member will be billed \$10.00 for the meter test and a service call fee. If the meter is found to exceed the 2% limit plus or minus, the bill may be adjusted accordingly for the preceding six-month period, and no charge will be made for testing.

Demand meters will be checked seasonally, or as required.

RESPONSIBILITY:

Manager, Members, Employees

PROCEDURE:

As outlined in the above written policy
