Policy 408
Reconnection Of Idle Services

POLICY:

The Cooperative will, upon member's request, send a representative to reconnect an idle service and will, when applicable, charge a reconnect fee.

1. If a person asks to have an idle service---previously occupied by another person---connected, there is no reconnection charge.
2. If a person has a service disconnected and later the same person asks that it be reconnected, a reconnection fee will be charged in accordance with Section 407.

RESPONSIBILITY:

Manager, Billing Department

PROCEDURE:

As outlined in the above written policy
