**Policy 502**  
**Line and Facility Relocation**

---

**POLICY:**

Should a member wish to have his delivery point or other facility moved to a new location for his convenience, the Cooperative will consider each request on an individual basis and distribute the costs in accordance with the following guidelines:

1. If such move is determined to be advantageous to the Cooperative as well as to the member, the cost will be shared by both the landowner and the Cooperative in proportion to the advantages gained by each, as jointly determined and agreed.
2. If the move is not deemed to be advantageous to the Cooperative, the cost will be borne solely by the landowner.

**RESPONSIBILITY:**

Board of Trustees, Manager, and Consumer

**PROCEDURE:**

As outlined in the above written policy
