2020 ALLOCATION OF CAPITAL CREDITS

For most of our active members who were members in 2020 you should have seen this message on your May bill statement: *****SAVE THIS BILL*****YOUR 2020 ALLOCATION INFORMATION IS ON THIS BILL. PLEASE RETAIN THIS BILL FOR YOUR PERMANENT RECORDS. Then in the 'Billing Messages' was an explanation of Allocations as well as the amount that was allocated from 2020 to your capital credit account.

Here is a small review of where the allocations come from.

As a non-profit electric cooperative, we allocate our annual operating margins, or profits, to members receiving service during the year. These margins (revenue in excess of expenses) are based on your patronage and are called capital credits. They are used by your cooperative for operating funds and paid back to our members as the financial condition of the cooperative will permit and bylaw provisions are met.

Should you cease to purchase energy from our cooperative, please keep us informed of your address in future years. This will enable us to forward payment(s) when the capital credits are refunded for the year or years of your membership.

REMEMBER: 1. You do not owe these amounts. 2. These amounts are not now payable and do not represent cash but rather your equity in our cooperative. 3. You cannot apply these amounts to your electric bill.

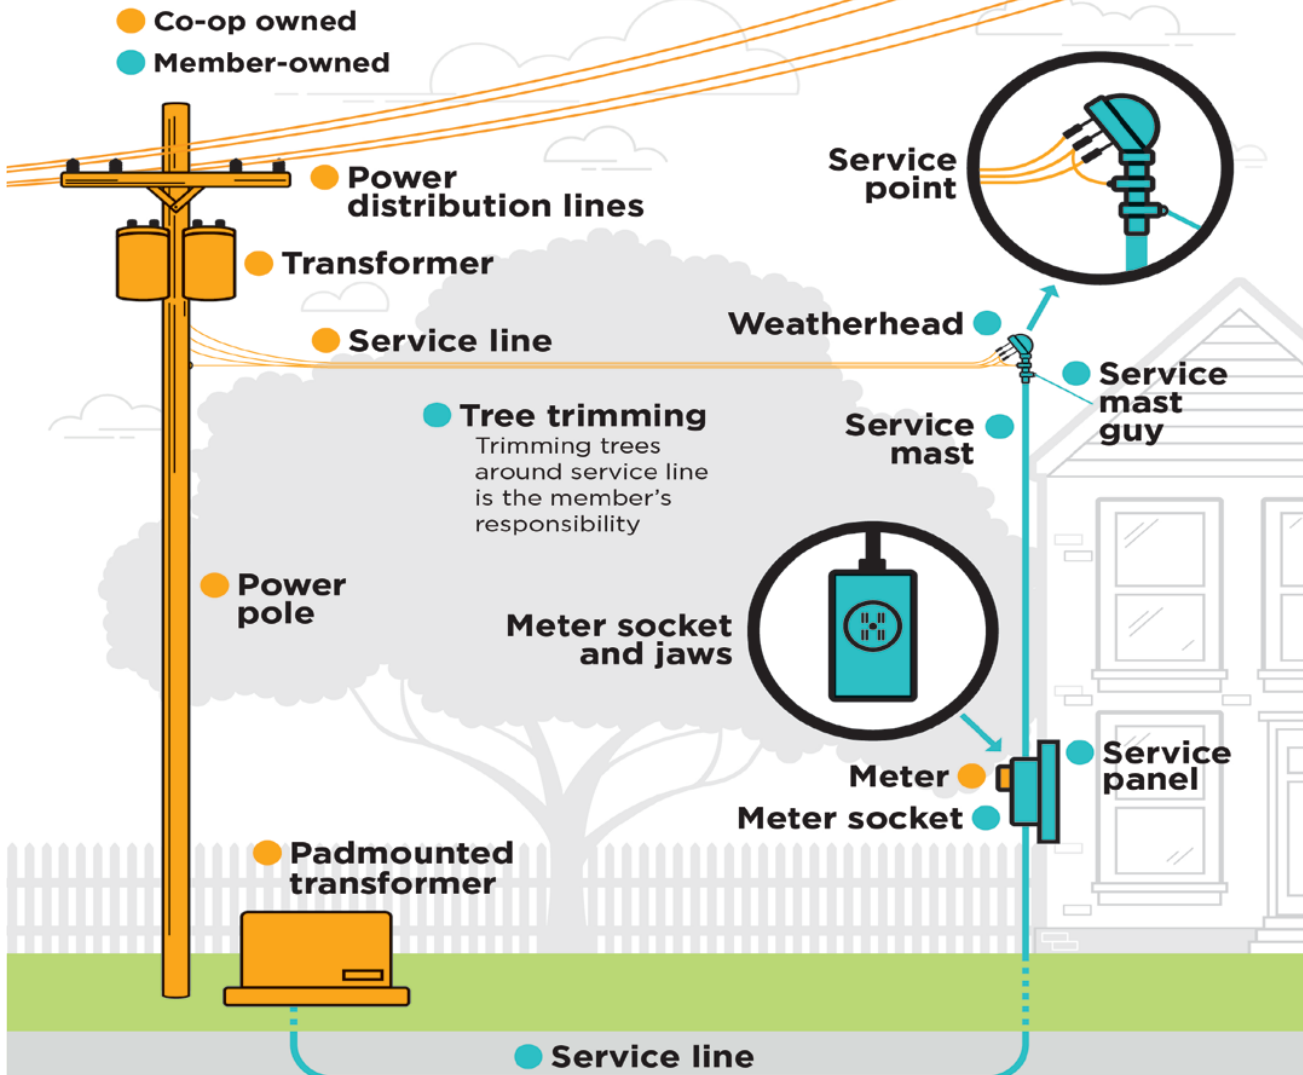

The Cooperative would like to wish all of it's members a safe and joyful 4th of July!

This institution is an equal opportunity provider and employer.

Who Owns What?

Electric Co-op Owned Equipment vs Member-Owned Equipment

This graphic depicts equipment owned by the co-op (in gold) and the member (in blue). If a storm damages any equipment owned by the co-op, we are responsible for repairs. If a storm damages any member-owned equipment, the member is responsible for repairs. Members should hire a licensed electrician when making any repairs to member-owned equipment.

Note: This graphic depicts overhead and underground service. Please be aware of which type of service you receive at your home or business.
